1) Thank you so much for the gifts and money you gave us. You always share what you have with other people.

2) There is no one around me. It is only me. I have no one to talk to or spend time with. :(

3) Look at them! They never get on well with each other. Their friendship will end in the end.

4) I'm so lucky to have a buddy like you, because you always support and help me.

5) Tim and I have so many things in common. We never argue or have trouble with each other.

6) Why don't we see each other at my place tomorrow to have a chit-chat face to face?

3. Choose the correct bold words. (2 points each.)

1- Joining a rock festival sounds **boring** / **awesome** to me. I always wanted to attend one of them and listen to the amazing band. Thank you so much for inviting me. I'll be there right on time.

2- Can we **miss** / **trust** Samuel? That is an important issue, because we can not accept someone who we can not count on. All members of the team should be reliable and supportive.

3- Be careful! It is John. He acts like your **enemy** / **buddy**. He is jealous, bad-tempered and bad.

4- Why do you always **get on well** / **argue** with Mary? I thought she was your best friend, but she is not. In my opinion, if you keep breaking her heart, she is going to end her friendship with you.

5- Whenever I call you for spending some time outside, you always make a(n) **excuse** / **invitation** and say "I'm so busy", "I feel tired" or "I need to be at home all day".

6- Please do not share my **dates** / **secrets** with others. These things should not be known by anyone else but you and me. This information is about my personal life, so don't tell anyone else.

7. Which one is more important for you?
Friendship or money?

8. Do you apologise to your friends when you do something wrong?

A. No, never! I'm so stubborn that I can not do it. Saying "sorry" isn't easy for me.

B. They are chances for us to see our old friends, that's why I always pay attention to attending them.

C. Sorry for that, but I don't get on well with him. He is jealous, aggressive and liar.

D. By going out, joining clubs and being brave.

E. Unfortunately, not right now.

F. If you offer 10 million dollars for me, I will not accept it (Yaw he he), because spending time with Joe, Jack and William sounds more exciting. Take that as an answer.

G. Sure. I'm fond of reading.

H. I'm new and a smart person in this town. Smart people are always on their own. (Hey mala mine) That may be the reason.

Cindy

I always think and ask myself so many questions about friendship, but never get the exact answers. Is there a problem with me or friendship differs from a person to another? Personally, I don't expect lots of things from my friends. In my opinion, they need to be generous, supportive, understanding, loyal, polite, smart, honest, attractive, amusing and also calm. By the way, a buddy should always listen to me, call me whenever I want, come over if I need help and have fun with me only when I'm free. Is it too much? Of course not! My friends should follow fashion like me, have millions of followers on social media and know lots of things about the newest events in my hometown. Also, a good friend can never make mistakes, but if s/he does that, s/he should apologise to me. Me? I'm a perfect person. I'm the best. I never make mistakes. (De biragg loooo.) That is all for today. Now, I need to get some fresh air at the park only by myself, because I have no friends. Unfortunately not even one! (Niye acabaaa?)

1- Cindy thinks she is better than other people.

2- Cindy's favourite activity is organizing class reunions, meeting old friends and talking about old memories.

3- Cindy is a lonely person.

4- Cindy always says "sorry" or buys some presents to make her friends forgive her.

5- Cindy wants to have funny, kind, relaxed and clever friends in her life.

6- Cindy may spend some of her time for choosing trendy clothes and buying the things she sees on Instagram, Facebook or Twitter.

Let's check your test taking skills :)

6. Choose the correct answers.

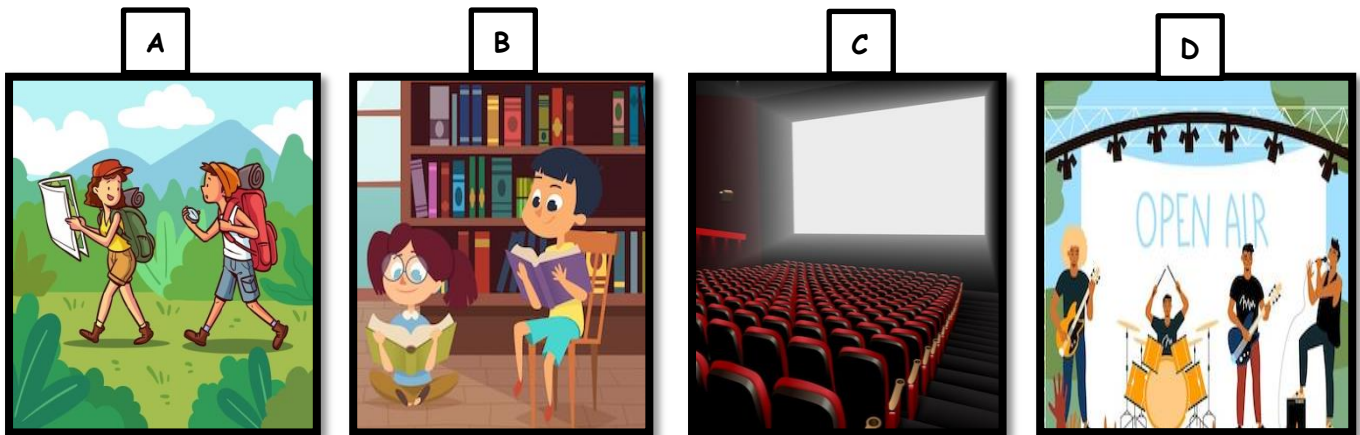

Can: I'm so bored. Shall we spend some time at the amusement park to have fun and eat something?

Ryu: Sounds great, but it is always crowded and that makes me angry. How about cycling?

Can: Nope! I can't. Would you like to listen to one of the best jazz bands alive?

Ryu: Unfortunately, not! It is too noisy. We need to go a place where we can see or watch new things, rest in a chair and have some snacks or drink something. Also, that place should be inside a building, because it is going to be rainy soon.

1- Which of the following is **APPROPRIATE** for both Can and Ryu?

The best thing in my life. Yeah, that is true. Do you know why? Because when you get older, you get to be more lonely every day. Some of your friends leave you just because you tell the truth about them, some move to other cities or countries, others make a family and can't find enough time to spend with you and the others pay more attention to other things like money, cars or houses. At that point, two or three best friends make me happier than anything else. I know I can live without them, but I also know that I can live better with them. They are the joy of my life.

2-Which of the following questions is **NOT** answered in the text above?

- A) What are the reasons that people lose their friends as time passes?
- B) What does friendship mean to you?
- C) How can we find new friends on the Internet?
- D) Is it important for you to have some good friends?
