Scarlett

Hello everybody :) I'm the most beautiful woman and the best professional chef in the world. Why don't we make a cake with you? Are you ready?

Let's start with the ingredients: 1 cup of sugar, $\frac{1}{2}$ cup of butter, 3 eggs, 1 teaspoon of vanilla, a cup of flour, 2 teaspoons of baking powder, 1 cup of milk and some strawberries and bananas.

- First, preheat the oven to 170 °C and put a baking sheet in the baking tray.
 - Second, mix the sugar and butter in a bowl and stir them until they melt and get creamy.
 - Next, add beated eggs, vanilla, flour and baking powder to the mixture and stir well.
 - Then, add the mashed strawberries and bananas with some milk into the mixture and stir slowly until it gets smooth.
 - After that, pour the mixture into the baking tray and bake for 25 minutes in the preheated oven.
 - Finally, take the cake out of the oven and serve warm with a cold drink.
- Good Appetite :)
